Smart Shower and Bath Collections

# Beautifully smart

A holistic solution curated just for you, in complete harmony with your way of life. The shower experience for a new generation.

Love, Elisa<sup>x</sup>

## The Elisa™ story

At Elisa, we have reinvented showering to deliver a personalised, smarter experience just for you. As an innovative new brand, we are sustainable by nature, with technical excellence and meticulous engineering at the heart of everything we do. Our vision is to provide smart, environmentally-friendly and sensory showering experiences for a new generation of home owners in an ever-changing world. Intelligently designed, our showers offer a blend of clever technology, powerful performance, luxury styling and personalised features, to improve your wellbeing in a safer, smarter and more sustainable way.

# The beautifully smart bathroom

## Personalised just for you

Using our intuitive smart mobile app, create a personalised profile to enjoy a shower or bath experience that is tailored exactly to you. Set the water temperature and flow to suit your individual preferences and be sure that your shower is always ready when you are.

## Control with your voice

Seamlessly connected with Hey Google or Amazon Alexa, activate your shower using your voice from anywhere in the home, any time.

Wireless remote control

## Live a more eco-friendly lifestyle

With the dedicated app, track individual usage on the easy-to-read dashboard - helping to save water and keep an eye on your bills. Set your preferred flow and temperature in the ShowerMe™ app to control water and energy consumption.

## The Intuition™ Collection

Our most advanced shower, Intuition ensures an exceptional showering experience for the whole family. With its sleek and elegant design combined with sophisticated features and powerful performance, relax and indulge in every moment for the perfect start or finish to your day. Create a unique personal profile with our dedicated app for each member of the family, and enjoy the luxury of voice control using Amazon Alexa or Hey Google. Start your shower from anywhere, safe in the knowledge that the water will be at your desired temperature each time. And help save water by setting your shower duration and flow before you have even stepped into the bathroom.

## Intuition™ Shower

Enjoy every moment of your Intuition shower. With our simple-to-use app, build your own personal profile, stay seamlessly connected with Hey Google or Amazon Alexa, and control your shower using your voice from anywhere in the home, any time. Choose from a range of options to suit your bathroom style and décor, and take your personalised showering experience to another level.

## Intuition™ Bath

With our smart bath fill option, enjoy your bath at the exact level and temperature every time – no need to wait and watch as it fills, as it simply knows when to stop. And it's easy to set up thanks to the clever ShowerMe™ app.

# The Incite™ Collection

Smart yet effortless to use, Incite blends luxurious functionality with pure simplicity. Seamlessly connected to your smart home systems, Incite has been designed for the contemporary lifestyle, with a welcome mix of innovative technology and intuitive operation.

## Incite™ Shower

Enhance your daily showering routine with a touch of Incite magic. With a host of smart features packaged in a stunningly-designed shower, select the Incite model to complement your personal bathroom style.

## Incite™ Bath

With the ingenious Incite bath fill feature, there's no need to wait for your bath to be ready. Using the intuitive ShowerMe™ app, simply select your desired time, temperature and water level – then sit back, relax and enjoy.
